

Introducing the new...

BIG-Z

boltless shelving beam

Now that's Smart!!!

The BIG-Z is the new heavyweight in the world of boltless shelving. With a massive 2500 lb capacity* per level on 96" beams this shelf shows no tolerance for weaklings. Another Original from your "SMART" Storage Solutions provider Rapid Rack - with drop-in front to backs that work with all Rapid Rack angle posts.

We call it Innovation, you will call it "SMART" Storage Solutions.

* when evenly distributed
